Alexander Yovchev
Managing Director
PROXIAD BULGARIA LTD.

Mr. Pavel Tashev joined Proxiad in July 2013 as a Senior PHP/Web Developer in client developing e-mail marketing platform. During his work Pavel showed independency and delivered his tasks within the expected timeframes even though this was a completely new field for him.

For the time of his employment he had proven himself as a quick learner and showed ability to integrate fast into the work activities related with a complex product.

From personal point of view, he is very positive and friendly colleague, and is always ready to help even on tasks that are not in his professional area.

His attitude, approach to issues, combined with constant desire to learn and improve makes him not only a valuable, reliable and trusted member of a team, but also a colleague with whom it is a pleasure to work with.
